MEMORANDUM FOR: Acting Director, Basic and Geographic Intelligence
SUBJECT : Contract Ceiling - FY 1974 and FY 1975
REFERENCE : My Memo, dated 24 July 1973, Subject:
Budget Call for FY 1975

The OBGI contract employee ceiling for FY 1974 and FY 1975 is hereby reduced from three to two positions. Per our conversation today, two co-op employees are counted against one ceiling billet which will permit you to hire both co-ops as planned. The changed ceiling should be reflected in your FY 1975 Budget Estimates.
